Graves to walk Homeward Bound with team

BLOOMINGTON – Sunday, April 8, 2007 – Graves to register a team for Homeward Bound walk.

Bloomington City Council candidate Alicia Graves (R, 5th) has registered a team for the Homeward Bound walk. "As a single mother, I know that life can bring hardships," Graves said. "It is important to me that people have the opportunity to be successful." Graves believes this is an opportunity for the community to come together, undivided by partisanship, and help those who truly need it.

Graves applauds the social service agencies and the volunteers who make events like this happen. "These are the people who get their hands dirty yet never seek so much as a 'thank you'. They make this community a much better place to live."

Graves would like to extend an invitation to anyone that would like to walk with her for this cause. Just go to www.homelesswalk.org and search for team "Alicia Graves for City Council."
